Objective: Detail-oriented Enthusiastic 7th-semester student with a passion for learning new technologies and solving real-world problems. Looking for an opportunity to apply my technical knowledge and develop practical skills.

PROFESSIONAL TRAININGS

TNSIF Training Program (Accenture CSR)

(July 2026|Ongoing)

- Undergoing training in Artificial Intelligence and Machine Learning fundamentals and applications.
- Building Soft skills and Corporate readiness for a professional work environment.

Python for Data Science

- Built practical skills in python, Numpy and pandas to process and clean large datasets.

Skill Training

- Trained Programming Languages are Python and C.

EDUCATION

B.E - Computer Science and Engineering

Shridevi Institute of Engineering & Technology (2023-2027)

CGPA: 8.2/10

Relevant Coursework: Data Science,Python,HTML,CSS

Vishwachethana Vidyaniktana PU college ,Davanagere(2022-2023)

Percentage:76

DVS Vidya Samasthe ,Bharamasagara State Board(2021)

Percentage:88

Blockchain Using E-Voting System

- Developed a secure, tamper-proof voting platform using blockchain technology to ensure transparency, voter anonymity, and real-time vote verification while eliminating centralized database manipulation risks.
- Implemented smart contract-based authentication and result declaration mechanisms, reducing electoral fraud and enabling instant, auditable election outcomes without third-party intermediaries.

A Brick Layer Protocol (Real Estate Investment Through Blockchain)

- Designed a tokenized real estate investment platform enabling fractional property ownership via blockchain, lowering entry barriers for retail investors and improving liquidity in the real estate market.
- Implemented smart contract-based automated revenue distribution (rent/profits) and transparent transaction logging, reducing paperwork, intermediaries, and settlement delays in property investment deals.

ACHIEVEMENTS & CERTIFICATIONS

- Basics of Python-Infosys Springboard
- Introduction to Python Programming – Infosys Springboard
- AgentBlazer Champion 2026 – Salesforce Trailhead(20 badges, 6,225 points)
- Computer networks-NPTEL

TECHNICAL SKILLS

Programming Languages: Python, C Programming

Packages & Operating Environment familiarity: Data science, Power BI

ADDITIONAL INFORMATION

- Participated in hackathons that involved solving real-time problems and showcasing technical skills.
- Language: Kannada ,English.
